To: Four Mile Run Bridge Stakeholder Group (BCC)

You are receiving this email since you requested to be included in the Four Mile Run Trail Bridge Stakeholder Group. The City continues to explore options and make preparations for a bridge replacement. Earlier this week, the City installed signs identifying two detours around the bridge. These detours will remain in place until the bridge is open for community use safely. Staff is anticipating the scheduling of a community update meeting in November or as soon as there is information to share on the replacement plan. The meeting will be announced via City eNews (RPCA General News); this email stakeholder group; and the [Four Mile Run Park Trail Bridge](#) project page.

Please share this email with others that may want to join this stakeholder email group and email me at [Jack.Browand@alexandriava.gov](mailto:Jack.Browand@alexandriava.gov).

Sincerely,  
Jack
